Business Center Carouge

CONCEPT

Why at the BCC? Because he is in Switzerland, in Geneva and Carouge: "The Italian-Village in Geneva..."

You are a student, manager, worker, self-employed, senior, man, woman,.... Are you looking for the most pleasant place in Geneva-City to live, work or study? Look no further, you're there: it's the BCC in Carouge! Put your suitcases in your elegant studio, harmoniously furnished, contemporary, and you are immediately at home.

You also benefit from top-of-the-range and all-inclusive services. It is indeed a rare concept that combines in a single product the services offered in an office, a hotel and an apartment, but without their disadvantages.

Cosy or professional atmosphere? Choose! Thanks to our lighting variators which offer you an infinite assortment of colours, give way to your imagination and to the different atmospheres: rest, study, work, a film,...

We rent unique studios, 5-star comfort and soundproofed, richly furnished and equipped with state-of-the-art multimedia with superb 4K TVs, individual Wifi at very high speed and secure. Soft Gabbeh rugs and magnificent bonsai trees decorate our studios. In addition, there is a luxurious lounge area to relax or welcome your friends or partners, equipped with a cosy lounge area with sofa and leather armchairs, an Italian coffee table, meeting room and bar, large 4K TV screen, semi-professional kitchen, cloakroom and guest toilet, washing machine and dryer. Everything has been planned to make your stay unique, day after day.

Our services even include sparkling water at will, tabs for the dishwasher and washing machine. You can focus fully on your business and your future. Everything is ready for you: **Plug, Live & Work.**

According to the 2018 Better Life Index reports of the bank Natixis and the OECD, Switzerland is in the Top-Five of countries where life is good for everyone: young, midlife and seniors. The icing on the cake: taxes in Carouge are very favourable.
